

September Workshop Supply List
Applique Cardinal Tea Towel
Sept 15, 10:00 am or Sept 16, 9:30 am
Instructor: Tracy

Creating blanket stitch applique is very similar to the conventional applique technique, however the main difference is the finishing stitch bordering each applique piece. Using this style of applique eludes to a home spun and hand-placed look which is perfect for the Heirloom Christmas theme as the design is added to a natural colored tea towel.

The workshop packet is \$29.99, which includes a full-color tutorial book with step-by-step instructions and a design CD. One 3-hour class. \$15 for each month (includes fabric kit) + Supplies See Below
